STANDARDS AND GUIDELINES:

Our desire is to provide the best quality art event possible. All artwork must be original (if print media, hand pulled prints).

Acceptable categories of work include: paintings, drawings, photography, ceramics, glass, wood, fiber, jewelry, and sculpture.

GUIDELINES FOR SUBMISSIONS:

- All work must be for sale. HATS Off To The Arts will share in the sale proceeds, 50% will go to HATS. Please establish the asking price accordingly. Because this is a fundraiser the prices are not negotiable to the public.
- All work must be suitably framed, (if appropriate) and be ready to hang with secure hardware and wire. No sawtooth hangers are allowed.
- Artists must be 18 years or older.
- You must submit your completed participation form with your art submissions. Form is also available online. Please submit online if possible.
- HATS Off To The Arts, its directors, officers, members and volunteers will not be responsible for loss or damage.
- Artwork will be housed at a secure location prior to set up, and after the event is over.
- You may submit any of the following—slides, photographs, or emailed images, however we strongly urge submission by email, so images may be posted on our website! Images must be of the actual piece being entered. All images must be labeled with the following information: artist's name, medium, title of work, size of work, and price to the public. Please include a self-addressed stamped envelope for return of your images if you wish them returned. If orientation of the work isn't obvious, please indicate which way is up.
